

FINANCIAL POLICY

Payment is expected at the time of service. For your convenience, we do accept Master Card, Visa, and American Express. We ask our patients to give at least 24 hours' notice if they must cancel an appointment. We reserve the right to charge your account a missed appointment fee of \$100.00. A \$25.00 returned check fee will be assessed to your account for all returned checks.

We will contact your insurance company for you and determine as close as is possible what your portion is to pay on the date of service. This information is on estimate only and we cannot guarantee any information to your insurance company on your behalf. After your insurance company pays their portion, we will inform you of what balance, if any, is outstanding for you to pay. This amount will be due upon notification.

Please note that your insurance policy is a contract between you and your insurance carrier. It is your responsibility to understand your plan benefits. If for any reason your insurance carrier does not pay within forty-five days, as allowed by law, the balance will become your responsibility. This balance will be assessed monthly interest charges of 1.95 if not paid upon receipt of your statement. In the unfortunate circumstance that your account becomes more than 90 days overdue we will send your account to Credit Services, our collection agency, your account will also be charged an additional collection fee of \$50.00

To cover the cost of credit card acceptance, we pass on a 4% credit/Debit card fee. There is no fee for debit cards.
